Re: European Union Directive regarding products containing Russian Steel and inputs

To whom it may concern:

Charleston Metal Products has performed due diligence on our key suppliers to ensure compliance with the EU directive as we are not a producer or importer of record. Based on responses received, we have no indication that our material originates from Russia.

The goods that Charleston Metal Products, Inc., supplies:

- do not incorporate iron and/or steel products originating in Russia.
- do not contain certain iron and/or steel products, directly or indirectly, that are restricted for import into the EU, UK, or any other country, including, but not limited to, pursuant to the following regulations:
 - Annex XVII, as per article 3 g of (EU) Council Regulation No 833/2014 concerning 'restrictive measures in view of Russia's actions destabilising the situation in Ukraine'; and
 - Schedule 3B, as per Regulation 46IA and 46IB of the (UK) Russia Sanctions Regulations.
- do not contain products that are processed in a third country and contain iron and/or steel products, directly or indirectly, that are referenced in the foregoing.
